

## Prevent Update - January 2018

*Please share with other senior leaders and subject leads such as PSHE, Citizenship, RE and Computing. If you wish individuals to be added to this distribution list please email [john.webster@portsmouthcc.gov.uk](mailto:john.webster@portsmouthcc.gov.uk)*

Please find attached some useful guidance, web links and information on future Prevent activities.

You may have seen some positive news stories regarding Prevent in the News and on South Today recently.

Attached is a document produced by an organisation INEQE on how to talk to young people of all ages on terror attacks. I have also included a link to a video from Ofsted on British values within schools.

The following link is for secondary schools only as it has materials from the ACT/Police called RUN,HIDE,TELL. These were released mid November 2017.

Educate Against Hate is a website that I keep mentioning; it continues to be the best platform for resources and guidance on extremism. <https://educateagainsthate.com/>

I have produced a resource pack for schools that you will shortly receive as a hard copy (resources will also be put on the PEP website.) There will also be a survey monkey this month on Prevent, I'd appreciate if someone from your school could complete it.

Finally, please contact me if there is anything I can support with regarding Prevent. If you could also pass on this email to DSLs and PSHE leads, I'd be most grateful.
