

We've worked closely with young people, parents, carers and professionals in Portsmouth to agree what inclusion means to people in our city.

Inclusion means that every child or young person will:

Achieve their potential from education or training

Build and maintain positive social and family relationships

Make a successful move to employment, higher education and independent living

Our aim is that every child can excel in a local school.

We want all children and young people in Portsmouth to...

- Feel included and part of their community
- Go to nursery, school or college locally
- Be valued and not discriminated against
- Have equal opportunities
- Have positive social and family relationships
- Make successful transitions to employment, higher education and independent living
- Develop emotional resilience and positive self esteem
- Aspire to live independently and participate in school and society
- Achieve their potential
- Be physically, emotionally and mentally healthy
- Be safe in a positive environment
- Be heard, for their views to be taken seriously and influence change

We want all families in Portsmouth to...

- Feel their child or young person is included and feels a part of the local community
- Know their child's needs are understood and acted upon by those who support them to ensure consistency
- Feel welcome and included wherever they go
- Have a positive relationship with their child's school
- Have their voices heard
- Know where to go for advice and support when needed
- Be actively involved in the planning and delivery of their support plan or network
- Be at the centre of everything we do in the spirit of co-production

In order to achieve this we will...

- Aim for children and young people to attend a local mainstream nursery, school or college wherever possible
- Create an environment that is welcoming to all
- Support children and young people to develop skills and resilience to overcome barriers
- Work together across services
- Respect and value children and young people as individuals
- Develop the skills, knowledge and competence of the workforce
- Work together across whole organisations to challenge bullying and discrimination and have a plan that helps resolve bullying for the benefit of everyone involved
