

Coming back to school

St Paul's Catholic Primary School

Year 1

 Since  school  was  shut,  things  have been  a bit

 different.  We  have been  learning  at  home.  This

 has been  to  keep  ourselves,  and  friends  safe.

It is  now  time for  some of  us to  come back to

 school.  There  will  only  be  some  classes in school,

 and  there  will  be  some changes to  keep  everyone

 safe  still.

When

you

come

into

school,

each

year group

will

have

their own

gate.

Only

1

one

parent

can

drop

you

off

at

this

gate.

Year 1

will

use

the kitchen

gates.

There

will

be

lines

on

the

ground

to show

you

where

to

stand.

2

metres

apart.

You

need

to stay

apart

but

you can

smile,

wave

and

say

hello

while

you

are

waiting!

When

you

come

into

school

you

will

use

hand sanitiser.

You

will

wait

on

a

line

outside

until

your

teacher

is ready to

take

you

to the

classroom.

       =
There will be some places in school we cannot go. Like

     
the library or the lunch hall. Our teachers will show

    
us where we can go.

      
Around school are arrows to help us all go the

 
right way.

The classes will look a bit different too. In Year 1

we will be in a bubble of up to 15 children and

2 adults. Our bubble will have a classroom and some

outdoor space. We will stay in these spaces with

these children friends only. My teacher could be:

Mrs Thomas

Miss Castro

Mrs Rodrigues

Miss Thompson

We

will

need

to

put

our

things

all

under

our

desk

in

the classroom.

This

will

be my

desk

and it

will

have

the

resources

I

need

in

a plastic wallet

on

the desk.

I

cannot

share

these,

these

are

just

for

me.

We

have to

remember

to try

to keep

apart

especially

from

children

not

in

our

bubble

even if

they

are

our

friends.

Lots of

hand

washing.

Don't

forget

the

song!

And

even if

we

can't

share

our

toys

right

now.

We

can

share our ideas

and

smiles.

Everyone at school will help you to keep safe, and
also have fun! We are all looking forward to
seeing you again!
