

Preparing to apply for MYP

We would like you to answer three questions in detail - you may choose the best option for you to do this; it may be an audio file of you speaking, it may be a video of you speaking to camera, it may be a slideshow put together with your narration over the top, or it may be written statements.

Please prepare your answers to these before you start completing the form. Once you start on the form you will not be able to save it and go back to it.

We would suggest that you have a video or audio file ready to upload or your written answers prepared and ready to copy and paste into the form.

Below are the three questions we would like you to answer.

1. *Please tell us about yourself, and why you are applying to MYP*

For example, your family, your school, your hobbies and / or interests

2. *Give an example of something you have done to help or improve the community in Portsmouth*

This could be through supporting an online campaign, through a youth group, school or college project, volunteering, in a charity effort, through a place of worship, or in your local area

3. *What are the issues you feel are most important to young people in Portsmouth? Which priorities would you campaign for if successful as a candidate?*
