

# Alphabet scavenger hunt

## What to do:

- Think of a letter in the alphabet and challenge your child to find something around the house beginning with that letter
- Set a timer and see if they can find something in 30 seconds
- If you have multiple children, see who can find it the fastest
- See if you can find something for every letter of the alphabet

## What you need:

- A timer, if challenging your child to find something quickly

## Benefits of this experience:

Get your child thinking about different letters and vocabulary to match each letter.

**Suitable for:**  
5+ year olds
